## PROFILE

---

Computer Science student specializing in backend development, with strong programming and IT skills and hands-on experience in software projects. Seeking an internship or entry-level backend role to gain practical experience and contribute to scalable systems.

## PROFESSIONAL EXPERIENCE

---

**Digital Egypt Pioneers Initiative (depi), training** 11/2025 – 05/2026  
Completed Full Stack .NET Web Development training (DEPI) with strong focus on backend development using C#, ASP .NET Core, Web API, and SQL Server.

**ITI, training frontend**

Learning basics of HTML, CSS ,JS.

## EDUCATION

---

**Egyptian E-Learning University (EELU), Very Good** 09/2023 – 06/2027  
Bachelor, Computers And Information Technology

## PROJECTS

---

### IPC Chat System – C++.

Git-Hub: [nancyahmedzzz/IPC-Chat-System-](https://github.com/nancyahmedzzz/IPC-Chat-System-) ⚡

- Implemented an inter-process communication chat system using sockets and shared memory.
- Applied multithreading and synchronization techniques to handle concurrent clients efficiently.
- Focused on performance, reliability, and proper resource management.

### Color Guessing Game – Java (OOP Project).

- Designed and developed an object-oriented game using core OOP principles.
- Implemented clean class design, encapsulation, and reusable components.

### Maze Solver – Python.

- Built a maze-solving application using AI search algorithms.
- Applied algorithmic thinking to find optimal paths efficiently.

### Buying Your Own Car (Team Project) – HTML, CSS, JavaScript.

Git-Hub: [MostafaAlshennawy1/Web\\_Project](https://github.com/MostafaAlshennawy1/Web_Project) ⚡

## **SKILLS**

---

**TECHNICAL SKILLS** – Programming & Tools: Python, SQL, MySQL, Git, GitHub, VS Code, NetBeans , IntelliJ , Packet tracer. | IT Tools: Microsoft Office (Word, Excel, PowerPoint), Windows OS, Internet Applications. | Web Technologies: HTML, CSS, JavaScript, **SOFT SKILLS** – Management | Organization Skills | Problem Solving | Communication | Teamwork

## **LANGUAGES**

---

### **English**

B2.

### **Arabic**

Naitve.

## **CERTIFICATES**

---

### **CCNA**

Introduction to Networks – Cisco Networking Academy.

### **SC-900**

Microsoft Security, Compliance, and Identity Fundamentals score:880 out of 1000.
